

Midale School, in partnership with the Weyburn Wor-Kin Shop, have once again been successful in receiving a SETI grant (Supported Employment Transition Initiative). This grant allows us to not only continue with our Employment Transitions Program, but to also expand it into Weyburn and Estevan to reach even more employers and students!

As we expand, we will be looking to hire for the following position:

Employment Consultant (Based out of Weyburn/Estevan)

- Approximately 30 hours/week

Responsibilities

- work collaboration with the Midale Employment Transitions Consultant and SETI team
- help employers see the benefits of employing individuals with diverse needs
- create, job carve or find positions within the communities of Weyburn/Estevan and surrounding areas for program clients

You are...

- An enthusiastic and community-oriented person who is passionate about helping people of all abilities to thrive in our community
- Someone who treats all people with dignity and respect
- Adaptable to a changing work environment
- Someone who is able to "think outside the box" to develop innovative solutions to problems
- An individual with proven abilities to work independently and as part of a collaborative team

Requirements:

- Class 5 Drivers license with clear driver's abstract
- Criminal Record Check with vulnerable person's check
- \$2 million liability insurance
- Reliable personal vehicle

Compensation:

- Wage plus mileage
- Cell phone subsidy OR work cell provided
